

Company Introduction

Founded in 2018, PT. Aliasi Koin Indo started as a blockchain and crypto community centered in Indonesia and has led the growth of the Indonesian blockchain industry.

In September 2023, it will acquire a certificate for operating a cryptocurrency exchange from Indonesia's Commodity Futures Trading Authority (BAPPEBTI), seeking greater growth than before. PT. Aliasi Koin Indo seeks to strengthen its capabilities in the crypto industry and take it to the next level with new technologies and innovations.
